

جاوا اسکریپت مقدماتی

مدرس: مہر داد دادخواہ

چرا باید جاوا اسکریپت را یاد بگیریم؟

In 2007, Jeff Atwood made the quote that was popularly referred to as Atwood's Law: "Any application that **can be written in JavaScript, will eventually be written in JavaScript.**"

Blog: Coding Horror

Profession: Software Developer, Author, Entre...

چرا باید جاوا اسکریپت را یاد بگیریم؟

The most obvious reason for learning **JavaScript** is if **you** have hopes of becoming a web developer. Even if **you** haven't got your heart set on a tech career, being proficient in **JavaScript** will enable **you** to build websites from scratch—a pretty useful skill to have in today's job market!
